

LUZCLARA

"FROM THE HEART OF THE ANDES"

Coming to South Florida September 4, 2010
9:30 AM – 9:30 PM

A POWERFUL HEALING CIRCLE

LUZCLARA is a Chilean Medicine Woman, Grandmother, Ritual Dancer, Ceremonial Leader and Sound Healer, initiated by a "Machi", a Mapuche Shaman of Southern Chile, as well as from "Qero" indigenous healers of Peru and the "Quichua" "ayahuasca" Shamans of Ecuador.

THE CIRCLE OF HEALING

A workshop to awaken the heart, strengthen and deepen our connection to Mother Earth and the healing power within each of us. We will create a ritual group-healing circle based on the "Machitun", the healing ways of the "Mapuche" shamans of Chile connecting us with our Sacred Self, the Earth, and Great Spirit, inspiring a collective and personal healing in a trance state using drums, dancing, chanting and sacred sounds. All participants play an active role in the ceremony learning traditional songs, dances and drumming which honor the Mother and the Spirit and which induce and maintain a trance state.

Please bring your instruments (drums, rattles, etc).

Women: Please bring skirts for ceremony.
