AIRFARE to and from Peru is not included in the fee above. Book your round trip flight to Cusco and arrive before or by July 9th, 2010, leaving by or after July 17th to your home destination. Those who arrive July 9th AM and depart July 17th AM will be provided transportation to and from the airport to PISAQ. It will work best if we all arrive at around the same time. We'll figure out these details together.

Please call or write for more information before booking your flight.

Email Jaes your flight information so you can be met at the airport.

Cancellations: The price of this trip is based on a specific number attending. The trip will be cancelled and deposits refunded if fewer than 12 people register. A full refund minus \$300 cancellation fee will be given for written requests by May 8th, 2010. After that time reservations and payments to Peru will have been made and no refund is possible. Luzclara and Jaes may choose not to accept every applicant.

Trip insurance is recommended and can be purchased with your airline ticket or at [accessamerica.com](http://accessamerica.com) or 800-284-8300.

\*Those who have traveled with Jaes and Luzclara have expressed gratitude for the well planned arrangements and care given on these journeys. All hotels are excellent and services are reliable and comfortable. We will meet with local shamans for healing and ceremony. Luzclara asks us to be open to the unplanned but expected miracles that happen each time we make ourselves available to the mystery. Those who have gone on a journey with us before say: "Magical, Wonderful, Life changing, It's hard to put into words or explain the experience, Thank you!"
